

C program to remove space from a string.

Algorithm -

Step 1: start

Step 2: Input str

Step 3:  $len = strlen(str)$

Step 4: Repeat  $for(i=0; i < len; i++)$

$if(str[i] == ' ')$

$for(j=i; j < len; j++)$

$str[j] = str[j+1]$

$len--$

Step 5: Display string after removing space

Step 6: Stop

Flowchart -
