

C program to print pyramid like structure

Algorithm-

Step 1: Start

Step 2: input n, i, r

Step 3: for $(r=1, r \leq n, r++)$

Step 4: for $(i=1, i \leq n-r, i++)$

Step 5: print " "

Step 6: for $(i=1, i \leq 2*r-1, i++)$

Step 7: print *

Step 8: print to Output pyramid structure

Step 9: Stop
